What is Camellia Ball?

Every year, the AnMed Foundation hosts Anderson's premier gala event, the Camellia Ball, to support AnMed programs and services to meet our community's greatest needs.

This year's focus will highlight the impactful work of AnMed Oncology Services..

Over the last 31 years, the Camellia Ball has raised over \$6 million through the generosity of sponsors, volunteers, and attendees like you. On behalf of our community, we thank you for your support.

...The Sweet Life on the Lake

Your Support Can Make a Difference

Your gift to the 2026 Camellia Ball helps expand access to cancer prevention, early detection, and treatment across our region. With your generosity, AnMed can continue to bring lifesaving services closer to home offering hope, innovation, and compassion to patients and families throughout our community.

1. Earlier Detection, Closer to Home

Expands regional screening outreach, allowing more people to detect cancer early and begin treatment sooner when good outcomes are most favorable.

2. Patient Navigation & Family Support

Your support can help fund dedicated nurse navigators and family resources that guide patients through every step of their journey, ensuring no one faces cancer alone.

3. Education & Prevention Initiatives

Your partnership can strengthen community education through churches, schools, and civic groups; empowering neighbors with knowledge about prevention, risk factors, and early warning signs.

4. Advanced Diagnostic Technology

Your gift can help upgrade imaging and diagnostic tools, enhancing precision and enabling our physicians to identify cancers at their earliest and most treatable stages.

5. Integrated Care Teams

Your investment can help strengthen multidisciplinary collaboration among oncologists, surgeons, and therapists — creating a seamless, compassionate care experience.

6. Survivorship & Wellness Programs

Your support can help sustain rehabilitation, counseling, and wellness programs that empower survivors and their families to thrive beyond treatment.

7. Reduced Travel Burden

Your generosity can help extend oncology services into surrounding communities — reducing the time, cost, and emotional strain of frequent travel for care.

8. Access to Clinical Trials & Precision Medicine

Your contribution can help connect local patients to innovative therapies and research opportunities, keeping cutting-edge care close to home.

9. Mobile Mammography & Community Outreach

Your gift can help sustain and eventually renew the Mammo Coach program — providing 3D mammography to more than 3,000 patients each year and ensuring early detection reaches women wherever they live.

10. Stronger Communities, Healthier Futures

Your investment in oncology services strengthens our region's health, stability, and resilience — creating a legacy of hope that benefits generations to come.

Your partnership makes early detection possible, treatment accessible, and survivorship attainable right here in our own community.

At AnMed, Better Starts Here.

Special Gifts for Oncology Impact

Above and Beyond Sponsorship | 100% Contributions for 100% Impact

Every year, generous hearts go beyond the spotlight of the Camellia Ball to give where the need is greatest. These special gifts, (made in gratitude, partnership, or memory) provide direct support for AnMed's Oncology Services, helping extend early detection and compassionate care to more patients across our region.

These contributions are recognized separately from event sponsorships and directed entirely to areas of impact that expand access, improve outcomes, and save lives.

Transformational Gifts | \$500,000 and Above

Oncology Innovation Fund: Supports collaborative research, academic partnerships, and pilot programs that advance oncology innovation at AnMed. This fund also lays the groundwork for an Endowed Medical Chair in Oncology, enhancing our ability to attract a resident research oncologist or clinical scholar through partnerships with leading academic medical centers.

- *A gift of this magnitude positions AnMed as a regional leader in discovery and compassionate cancer care.*

Major Gifts | \$100,000 – \$500,000

Advanced 3D Diagnostic Imaging Suite: Helps bring next-generation PET/CT or MRI technology to AnMed for earlier, more precise cancer detection and treatment planning.

Radiation Therapy Treatment Planning System: Improves precision and patient comfort through upgraded computing and imaging platforms that guide radiation delivery.

Infusion Center Renovation & Patient Comfort Enhancements: Transforms treatment spaces with upgraded recliners, privacy panels, and calming design to promote dignity and healing.

Oncology Nurse Navigator Program Expansion: Funds additional nurse navigators who guide patients through diagnosis, treatment, and recovery—ensuring no one faces cancer alone.

Oncology Patient Transportation Fund: Creates a safety net for patients who struggle to reach appointments, reducing missed treatments and barriers to care.

Programmatic Gifts | Up to \$100,000

Community Cancer Screening & Prevention Outreach: Expands local education and early-detection events through churches, schools, and civic partners.

Survivorship & Wellness Resource Center: Provides counseling, nutrition, and fitness programs that help survivors and families rebuild life after treatment.

Mobile Mammography & Community Outreach: Helps sustain and eventually renew the Mammo Coach program—delivering 3-D screenings to more than 3,000 women each year.

- *Support for this initiative ensures continuity of vital outreach today and helps prepare for future equipment needs when the time is right.*

Oncology Equipment & Technology Fund: Allows flexible, pooled gifts to address AnMed's most immediate technology and equipment priorities as they arise.
