LETTER OF INTENT

What is Camellia Ball?

Every year, the AnMed Foundation hosts Anderson's premier gala event, the Camellia Ball, to support AnMed's programs and services to meet our community's greatest healthcare needs.

This year's focus is on education programs and the renovation/relocation of Women's and Children's Hospital. With over 2000 births annually, a Level II newborn nursery and 2800 outreach education contacts, supporting our children and families is a high a noble cause.

Over the last 28 years, the Camellia Ball has raised over \$3.4 million through the generosity of sponsors, volunteers, and attendees like you. On behalf of our community, we thank you for your support.
